

STEP 1

1. Go to the tab **"My Account"**.
2. Press the button **"New User"** and follow the instructions.
3. Then you will receive an e-mail with a link to activate your account.
(NOTE! Check your inbox for spam, because your mail can sort out the activation e-mail as spam)
4. When the activation for your account is ready you can login and register your user profile.

STEP 2

1. Under the main heading **"Administration"** you will find nine sub-headings, which you will use to upload your profile.
2. The second heading **"Information"** gives you some information about how you will create a user and register for the published events.
3. The third heading **"Account"** shows your user information and here you can also edit your username and your password.
4. When you click at the fourth heading **"Driver/Team"** you will come to a blank box with the heading "Driver Information" where you will click on the tab "Add" to start the registration for your profile. You have to fill in all fields (as far as possible) in the three headings "Driver Info", "Team" and "Pit Area".
5. When you click on the fifth heading **"Team Members"** and click the tab "Add" you can fill out information about each team member in your crew.
6. Then you go to the sixth heading **"Vehicle"** and then click the button "Add" to fill in all information about your race vehicle.
7. The seventh heading is **"Sponsors"** where you can add information about all your sponsors.
8. Then you go to the eighth heading **"Series"** to fill in which division you will drive.
9. Now that you have filled out all the details to your driver's profile, you can register for the published competition under the heading **"Notification"**.

STEP 3

1. Under the heading **"Notification"** you choose the competition you wish to enter and click the button **"Enter the competition"**.
2. The first thing you have to do, is to read the Invitation and Supplementary Regulations for the competition and also approve that you have read the rules and conditions for the on-line registration system, to move forward so that you could fill in the notification.
3. Then you will follow the entry step by step and fill in all the information as far as possible on each side.
4. The notification concludes with a payment through DIBS Payment Services where you can choose from several different payment methods.

Good Luck and please contact me if you have any questions regarding your registration!
