## General

This event will be run in accordance with the Sporting Code of the FIA, the FIA Regulations for Drag Racing, the national regulations of Svenska Bilsportförbundet, the UEM and the FIM international regulations, the national regulations of SVEMO, these supplementary Regulations and any subsequent regulations are officially promulgated.

The event will be held as a drag race over a 1/4 mile length course and is open to all eligible race vehicles for the following classes:

Junior Dragster, Stock/Super Stock, Super Street, Super Gas, Super Comp, Competition Eliminator, Pro Modified, Super Gas Bike, Super Comp Bike and Super Twin Top Gas Bike.

This event will count for the 2011 Swedish Championship in Pro Modified, Competition Eliminator, Stock/Super Stock and Junior Dragster.

This event will count for the 2011 NDRS Drag Racing series in Pro Modified, Competition Eliminator, Stock/Super Stock, Super Comp, Super Gas, Super Street, Junior Dragster, Super Gas Bike and Super Twin Top Gas Bike.

This event will count for the 2011 Swedish Dragracing League in Competition Eliminator, Stock/Super Stock, Super Comp, Super Gas, Super Street, Junior Dragster, Super Comp Bike and Super Gas Bike.

Paddock silence (no competition engines running) must be respected between 21.00 and 08.00 every night.

Speed limit in the paddock is 10 km/h. According to Swedish law it is prohibited to drive any vehicle under the influence of alcohol or any other substances. To avoid accidents in the pit area, any vehicle that is used for transportation during the paddock silence must have working head and taillights as well as reflectors.

All competitors must have a fire extinguisher clearly visible within their pit area. This is in addition to any fire extinguisher systems within race vehicles.

Non observance of any one of these rules may result in exclusion from the event.

## Environmental instructions

*Due to new environmental regulations in motorsport in Sweden, combined with a high ambition from Tierp Arena regarding environmental responsibility, the following rules apply at the event:*

It is mandatory to have an environmental mat, oil absorption fabric, placed underneath the vehicle in the paddock/pit to prevent oil on the paving/into the ground.

Residual chemicals, such as oil, fuel and other chemicals, has to be disposed at recycling stations at the track.

All other types of garbage must be sorted in fractions at recycling stations at the track.

Regardless of fuel (i.e. gasoline, diesel, kerosene etc...) the use of stand-alone and/or separate electric power generators is not allowed at Tierp Arena.

All teams will be requested to assign an environmental officer among the team members and report the name of this person when filling out the on-line Official Entry Form.

## Entry Form and Entries

Anybody wishing to take part in NDRS Nationals II 2011 must fill out the on-line Official Entry Form, duly completed, and pay their entry by the appropriate closing date at [www.tierparena.com](http://www.tierparena.com)

- Foreign competitors must have the authority of their ASN (cars) or FMN (bikes).
- Entry forms, which are amended, incomplete or defaced, are invalid.
- A vehicle may only be entered once. No driver may drive more than one vehicle in the same class.
- The organizers have the right to refuse an entry without giving any reason
- The organizers reserves the right to limit the number of entries in each class and at the event
- The maximum number of entries in each class for elimination will be 32; the minimum is 1 in each class. However, the organizer reserves the right to limit the ladder in any class if needed, and also to cancel or abandon a class in liaison with the Stewards of the event if they feel appropriate.
- By the fact of their entry all competitors will be deemed to have declared that the vehicles, team and personnel under their control will comply with the regulations throughout the event.
- Please observe that maximum pit space is 18.0 m in length and 6.70 m in width. Any race team with demands for larger space will have to pay for the extra space needed. Please fill out the entry form carefully.
- Payment may be done by using international VISA or MasterCard. (For Swedish entrants national VISA and Master Card Maestro will also be possible to use.) A confirmation will be sent out when your payment is accepted, but each driver/entrant must visit the website [www.tierparena.com](http://www.tierparena.com) to see if his or her entrance has been correctly registered. The entry list will be updated weekly. Should your name be missing on the list, or if you have any other questions regarding your entry, please contact Tierp Arena Event AB on +46 (0)70 835 73 36 or e-mail to [emelie@tierparena.com](mailto:emelie@tierparena.com).

## Entry Fees and Dates

Entry fee for all classes is SEK 2750 local currency per competitor. The entry fee includes electricity 10Amp/220V. (16Amp/380V will cost additional SEK 750)

- The entry application will only be accepted if accompanied by the total entry fees or by a receipt issued by the competitor's national sporting authority. No vehicle will be allowed to start unless the entry fees have been paid in full.
- Additional fees may be payable by a competitor who refuses to carry the organizer's sponsor's advertising.
- Ticket allocation, including driver, included in the entry fee is 5, except Pro Mod who will receive 6.
- Entry fees may only be refunded:
  - a) to candidates who are not accepted.
  - b) in case the event do not take place.
  - c) in case the class is cancelled.

## Administrative Checking

All drivers must report to administrative checking at the Main Gate prior to Scrutineering.

The check shall consist of an inspection of the documents, International License, ASN's, FMN's authorization where necessary, etc. Unless the stewards of the meeting have granted a waiver, those competitors and drivers who fail to report to checking shall not be authorized to take part in practice or the race.

## Scrutineering

Any vehicle taking part in the event must be presented by the driver or his official representative to scrutineering, which will be held at the scrutineering building on the 28th of July 2011, from 14.00 to 21.00 and 29th of July from 08.00-15.00. Any vehicle arriving after the closure of scrutineering may be refused permission to start.

Additional scrutineering may be carried out at any time during the event.

The drivers' safety clothing (protective clothing, helmets, gloves etc.) must be presented with the vehicle at scrutineering.

## Qualifying & Elimination

The qualifying sessions will be held in accordance with the current SBF and SVEMO Drag Racing Regulations.

In Super Twin Top Gas Bike the SBF/SVEMO progressive 8-ladder system will be used.

The ladder for Pro Mod, Competition Eliminator, Stock/Super Stock and Junior Dragster will be according to the regulations for the Swedish Championship, with a maximum of a 16 car ladder for Pro Mod if there are at least 19 cars qualified..

In all other classes the SBF/SVEMO sportsman ladder system will be used where all qualified vehicles from number 1 to 32<sup>nd</sup> spot will be in first round eliminations

The organizer reserves the right to decide to run smaller or larger fields in first round elimination's if appropriate, without further consultation or notification, and also to cancel or abandon a class in liaison with the Stewards of the event

## Official notice board

The Official Notice Board will be located outside the starting area evacuation exit.

## Amendments - Interpretation

No alterations shall be made to these regulations after the opening date for entries, unless unanimous agreement is given by all competitors already entered, or by decision of the Stewards of the Meeting for reasons of "force majeure" or safety.

All additional information will be announced by dated and numbered information bulletins and deemed to be part of these regulations. Notifications and bulletins will be posted on the Official Notice Board.

The Stewards of the Meeting may implement decisions on any matter not provided for by these regulations.

In the interpretation of these regulations the English text will be considered as authentic.

## Running Cost Compensation and Awards presentation

The organizer will pay competitors in classes competing in the NDRS series the running cost compensation as per the current NDRS Drag Racing series regulations.

There will be a presentation of trophies at an Awards Presentation on 30th of July 2011, 45 minutes after the last final of the day, if not postponed due to extraordinary circumstances.

To receive any awards the following stickers has to be applied clearly visible to your vehicle:
